I'll be waiting for you

Thank!
Sir,
Goodbye
from
Internet!

Before head to the sea.

The atmosphere is very
calm here now.

I'll be waiting for you.

See you
after school,
Taibara

Oh I'm
sorry I'm
not too
much...

Even
though we're
brothers, we
are not
related
any more

Are you
really
brothers?

Not the
least bit
alike!

Everyone
must think
it's really strange
how we're in
the same year
even though
we're not
related

You go
Taibara!

After
the
fall

YAA
MOON

They're making noise about the store!

He had a real ice pack!

Such childish pranks!

My first expression of love was [What a bastard]

Please to meet you

Angelic Smiles

My son brought me to a high class restaurant

That was when I first met those Nagas Brothers

That's right I first met Trudon in spring of my 10th grade

We became brothers because our parents remarried

We played at me with a look that was like he was making it clear that we were enemies

But unlike him I was older so I pointed a gun to his face

I was pretty depressed myself even had always been single since that period every

strangers

When was it
— when the
we all went
to the beach?

I want to protect you.

What
!?

It must have been

the first time
I had seen such
a beautiful
woman

At that time
I thought

Yes,
I want to
protect you

It was only until very
later that I learned
that his mother was
lost at sea.

Tokimune
... This is
because
you were
protecting
me...

Tokimune

Hold
me!

Hang
in there,
Tokimune!

I'm glad
that you're
safe.

Drinking across the globe...

A wailing city (buried)
in the night...

I was
with you
all night.

Do not
forget.

Huh?
Tsubasa,
you not
deft yet?

Must say,
I'm pretty
tough

Come out of
hall with your
friends

Tsubasa

You just
might be
able to save
Touba-san!

Hurry!
There's no time!

Please be safe,
Touba-san!

Until I get
there...

And with
you getting
hurt it also
reinforced
the way
of thinking

believing
that he
shouldn't
stay here!

Touba-san was
also afraid
that he would
involve this in
around him,

Since he
has now
realized
his fate

who said
anything
like that
—>

shouldn't
stay here
—>

What's in
that?

It's more
convenient to
do things with
two people
than alone.

Just let
go first. If
this keeps
on, you're
going to
burn to
death!

Then come
if you can!

It's not
my fault if
you regret
it afterwards!

You
don't!

What are
you talking
about? You're
murder and
not at all.

I can't
Tokuemon.

I have
to go and
save my
mother.

Let go
your son
has been
blaming
the enemy.

I don't
want it to
be like
that!

If you're
going to go and
save your
mother,
then I'm
going too!

I just don't
want to drag you
into all of this
Tokuemon.
This may not
be a problem.

Whether I'm
reason.

His way!
I don't
want to
drag you!

I'll just
let you know
like this, we'll
never see
each other
again!

Perhaps, even if the pain you're feeling isn't
in a hell, I feel already scared.

I will protect you!

On the face of
you I don't
care
anymore.

Could! How
did the
momentary
one ending
being the one
crossed?

That up!
You're
always
sleeping!

We'll
just have
to try it
first and
see!

Now

I will
just choose
the method
that I
can beat
anew
myself
with

Waiting for
him?

I am
Senshi
Tokumaru, an
average
high school
student.

I have a
younger
brother
who is a
little weird,
but that
isn't a
problem!

Sorry, man,
please don't worry.

I'll come
home soon.

Personal
to don't write anyone

Just what
is happening?

11

Why don't forward and stay away?

It don't know what's happening anymore

It's not like the person I really like is anywhere but I never
 happened to meet them either. It's a little bit sad, but I can't
 do anything about it.

I thought
 you'd like to
 see your son so
 I've called
 upon him.

However,
 there seems to
 have been a
 little accident
 and now he
 doesn't look
 like himself.

I'll
 assume
 you know
 where
 he is.

Chapter 2: Opening the door to another dimension

That would depend on you, "Holy Key"

I don't know

Of course you're able to. The female warrior known as the "Eyes Of Wisdom" who is also the "Holy Key"

It would only be as receiving the compensation of me disrespect you.

What could I do, being confined like this by you

Why have you brought Tachibana here? That has got nothing to do with him.

You promise me too much, but I regret to say that I don't know

What do you intend to do to Tachibana Dead Eyes?

You'll know once we find him

I have a feeling that I can use him to my full advantage

—
Yes, Asakura-sama.

What? Simply because the
spell was successful as
you couldn't see properly?

That's not
really the
point.

WHAT!
HE'S
LOST!

So
where is
Tadama
now?

Good! I've
couldn't
fail at
summoning.

Is it not
you who
disturbed
him about
job time?

Well,
at...

You also
dropped that
child called
Tadama
along with
you.

Wright
exceeded.

Fuu

Like
usually.

Uh.

It's
bright.

Protect
Tadama.
That is
your duty!

And
then,

This is your
responsibility.
You must
find them.

—
Tch...more

Is it
just me?
Thought I heard
some strange sounds

!

Thanks

He

is

What is it?

So cute

Tch...more?

I need
to hurry
and move
for that

How? I
don't have
any power
whatsoever

There is
some-
where in
this world

I'll
work out
Touba...

I'm
here
too

I think
the party
will take
us to the
city

Let's
try it
out

Well
we've
seen

Yes

AHH
HELP
ME!

Wow

Wow

Yes
I don't
see you
anything

WAAH

Human rights police
order and control
all the things we have
always learned
become worthless
here

A land where
the people
are all dead

Only
then did
we truly
realize
that,

this is
a
war-torn
world.

with
the
world.

What
the hell
is going
on

This
place is
just like
—

Everywhere
you look, there
are fleeing
people. Blood
and loud
screaming
sounds.

This is another world,
and it is a world
without law.

They're probably wondering what
happened to me, but I don't
care.

It's
fine.

It's
fine.

Thank
you.

It's
fine.

Stop
crying.

This isn't just a slight fever

You've always been like this once you're pressured, you get a fever

Don't be so stubborn

Have some alcohol

Have you got a fever?

Not at all

Shut up

What about you? Is it alright to leave it untreated like that?

Look! That!

This kind of fever will be fine with just a tick

I'm too good

When, it's a lot

Oh! I can't get this sword to light

Sure it's alright to light a fire?

You looked very cold, and you're more important, right?

Aren't those guys nearby?

First of all

We have to think of a way to rescue your mom

WHAT THE HELL IS THIS STUFF?

You're not from here are you?

Here, maybe she's not a bad person!

It's okay, I'll explain that

It's not good for you to be around my around the place.

Who would be silly enough to look against a pattern tree

It's not a good contact with warmth like your body temperature. You've got to be careful. These trees are poisonous.

La la la la

Yeah Poured it

She'll Someone's threat

We can't communicate with the people in this world

Better be more careful

You're a
right
proper
but

I want
love for
my pet!

Try
killing
him, and
you'll hear
from me

Sorry
I'm late
I want to
get the
medication

Come over
here, I'll
help you
apply it

No, it's
OK

I'll
do it
myself!

Here
take a
your
jacket

No,
it's OK

become
a real
good
man

I'm
sure
of it

The month
has been drawn
to the flame
Quality goods
have arrived

He's asleep
in the room.
Do it the
second way

What
should we
do with
the other
lost Ser?

Shall
we kill
him?

I'm a
little weird
myself.

Oh's the
Power's
Fruit!

Is not
that I
tell you

And then
was the
reason
why I
distanced
myself
away from
people
around me

As long
as you have
the same
destiny that
I do.

You must
remember
not to involve
anyone
else.

My destiny

Wouldn't have
thought he'd
be an idiot who
likes making
trouble for
himself!

is really
unlucky
side.

Because
the way
will never
when you
will never
to return
to the sea

Who
is it?
Is
there
anyone
there?

Huh?

Just now,
there was a
vision.

At...

You just
—
Move out
of my
way!

For
now
I still
have time
to arrange
you to
death

He
seems to
have a
day to
consider
how to
kill

Forget
about him
If just he
happened
that
someone was
looking for
his type
Just think
of it as
bad
luck

You'll
be for
sure if you
run after
them
now

Shit!
Stop
right
there!

On the
other hand
if you
don't
take it

You're so
lucky to
know
I'm not
just a
dog

What I
fed you
before
was Father's
poison

Nothing
is first about
as long as you
take my remedy
that is

Edging
near, and
killing
him -

It's just
the
same...!

- I've
already
killed once
here

What
can a movie
and like you
possibly
do?

Huh
Don't
make me
laugh

Wait
for me
Tsubasa!

I'll
protect you
no matter
what it
takes!

His
eyes
are
serious

Don't park
in the
shallow
area

Stay
close
to the
shore

Japan
will be fine
about the play
a little
area of
that's all

It's a
show
he's a
guy

the
don't
want
to be
ending
up

Japan
has
some
quality

Chapter 4: Shroud

How dare

you talk

back

He's gone

Where did he run to

Oh, stop suffering, hurry up and push the boat

Wahh

Disappointment I have not the faintest idea what the person who is all about.

They've gone.

Shut down. I'm pretty sure the two solutions are "What are you," not "Who are you!"

And I'll prove you
Takes
he
look at
me now

Don't
be
like
this
I'm
going
to
be
stronger
than
you

Where
are
you
flying
off
to
the
forest?

The
rain's
coming
so
don't
wonder
off

Stupid
brats,
wasted
all
our
time

Stop
it
already, he's
his
new
favorite
person!

This
is
really
bad

Don't
forget
the
forest
is
not
a
safe
place
to
be

Don't
forget
the
forest
is
not
a
safe
place
to
be

Don't
forget
the
forest
is
not
a
safe
place
to
be

I want to know the truth about this!

44

How can there be a...

I want to know the truth about this!

How can there be a...

That's Sherm... I want to know the truth about this!

45

And Sherm's here too, why is that?

Great, what's the story?

You wanted to tell me about the Ann Denny?

That's a good girl!

Oh, looks like we've found something good.

you're
not making
it easy
for me
are you?

Sorry, only
Ann Bessney
can be
my eternal
lover

I'd do
whatever
it takes to
get the man
I want
but

Holy
key

I want
to unveil
the world's
secret hidden
within the
Holy Key

Ann
Bessney?
but Don't
give me
that

You think
I don't know
what you're
pursuing?

お
お
お

Hey
man

what
about the
new mystery
about?

Seeing
that he had
Patricia
preparing,
I guessed
the subject
had to be
you, Kaito!

This
food is
definitely
rankless

Even
though I
told her he'd
die, he still
propelled out
the door
again

I
killed
him by
mistake

Just a
few more
beers & he'll
have been
finished

You can't
move around
yet, the
poison hasn't
completely
cleared!

Let
alone...

I admit—
judge your
abilities as a
medicine

professional
as how about
you come and
help me?

But you
and I haven't
changed your
undertone. I
hope you
don't get
disappoin-
ted.

I'd
already
gave up that
kind of work

You're
asking
me to go
out to sea
again?
What
about old
Barbara?

That's a
damn, he
was very
distant

Let
your
be and
don't
doubt

Don't
be so
upset!

I just
wanted to cele-
brate our
reunion

I'm
Shroud

You still
have that
outlet with
you as I
assume you've
learned

!
You're
the guy
from that
time. I

Tell me
where you
sold Taubond
no, or I'll
kill you!

Really,
help me
out here,
Shroud.

The
love has
don't
you?

See
The
hell you
drag!

You said
his friend,
Leda?

What
a mess

I didn't
know you
knew him

Where
did they
go?

Trouba
should be
on his
boat

That
could be
merchant
of Epona

Trouba
What
happened
to him?

Why?
I don't
understand

By the
look of it
they were
killed by
these masked
men

Could it
be that
Trouba
was also

A country
which gathers
the world's
wealth and
under absolute
rule by the
great man

The
country is
commonly
under King
Falken's
reign

The
is at its
largest
trading
city

Epona

They
should
have
already
perished

Don't
worry. They
come back
here, which
must have
mean that the
translation
was
complete

They
died not
long ago

What I
want is
my ship,
kiddo!

You'll have
to get yourself
in one of your
owning, but I'm
sure you'll be
capable.

We'll be
going to
Espes.

You want
to rescue
your friend,
don't you?

People call
it paradise.
But I still
think it's
suspicious.

Those
masks
were
sent by
Fulian.

I never
thought
that
Fulian
is also
stealing
the Holy
Key.

I think
we need
to decide
whether
the matter
is related
to Fulian.

Get this
gun that
belonged
to the
royal household
man.

It has
the royal
household
crest
engraved
on it.

We
should
investigate
it.

Please.

I'll do
anything,
please take
me with
you!

Long taking
in trouble was
the really like
him don't you?
You're really
a love will?

Just now
there's someone
that you want
to look into
you get all
excited?

Thank
you?

But
going by
boat
shouldn't
take too
long.

By
boat?

Very
fast.

How do
we get to
Espes? Is it
far from
here?

To
Kipros

As I
look out on
memories of Tom
It's been long
a good few
years

TO
KIPROS

Somehow, I
lost him.

I'm
supposed
to.

Oh...
Maybe
right, my
name is
Aurora.

Where
...
where
am I?

It must
be this
Aurora
Jewel.

Chapter 3: Tempest.....The Prelude

What... what is this?

Looks like cover's blown.

No other choice than Hiei! Raise the flag!

COLUMBUS ATTACK!

Hey boss, this doesn't look good, the Navy is here!

Swearing people around like they

Charging here at full speed too

Finding cannons already?

Violent lot aren't they?

Oh

The important thing is to persevere with it to the very end.

Come to my cabin later. I'll help find you some decent clothes.

I don't intend to be a good person.

That's not the point!

That's because you didn't ask, Tolmou.

Couldn't be better.

Well, having a comfortable journey.

You didn't tell me anything about that. This is a pirate's ship, isn't it?

I don't think you're a bad person!

But I just don't understand. Someone as outstanding. Why be a pirate?

Is not something you can judge so easily.

Remember this, Good or Bad,

Normalized
Thanks
Anyway

After
are you
talking
about?

Right,
Thank?

Are
you
hating
me now?

There
have
you
come
about
here?

Oh
Thank
About
you
come
about
here?

I
don't
know
- there
I
don't
know
- he
was
off
here

Thank
you

Your

one of me

Take a look at Takamoru's moves!

It's free Freddy!

!?

What's going on?

Bleach Takamoru?

Bleach is too angry to notice, but Takamoru is bringing the battle to the front of the mast

To be seriously strong that?

Stop scuttling around!

Fight back already!

HEY!

Stop right there!

He's only escaping!

The
important
thing is,

That he
understands
the nature
of battle

What's not
impossible
here is your
brother's
return

YOU
CAN'T
ESCAPE
NOW!

After
my
brother's
return

I wanted to confirm his ability.

You let that happen.

I'll kill you when I get the chance.

Don't think I'm grateful to you for saving me.

You've made me lose my pride.

How interesting - thing.

Try it if you can.

Mocking you makes me feel useless just like everyone else.

Just as I thought he's going to become quite a

strong one of these days.

You're a sword brother.

Save for me.

Higurashi no Akihabara

Hello everybody, thank you for buying this volume of Castles.

When my editor first suggested that I draw a "proté's story", I was so quiet a dumb since I didn't have a clue on anything proté-related, and it would probably need lots of action scenes. But now I'm a total fan! It all feels very fresh to me when I'm drawing it (But the action scenes are still a pain...)

I hope this satisfaction infects everyone else too. I want to thank all my fans, and I hope you can create more great thoughts at the below address.
